

SONATA F 1

Black Oval Elongated Eggplant

*Premium commercial grade
producer*

Sonata was developed from the same breeding program that produced “Classic”, the market leader for elongated black eggplant. This Harris Moran proprietary variety is of a similar type and performance characteristics to Classic. Fruit are a smooth and refined teardrop shape with a deep purple-black color. Plant is very sturdy and upright with fruit set under cooler conditions than most other eggplant varieties, including Classic.

ADVANTAGES

- Premium quality fruit
- Good fruit set under cool conditions
- Very vigorous and sturdy plant
- High yield

SONATA F 1
