

Mountain Fresh F1

Fresh market, determinate, round

Notice: Certain environmental conditions cause Mountain Fresh Tomato seed to produce some small plants with small, unmarketable, pear-shaped fruit. This can lead to loss of yield and income. Please read the Harris Moran Limitation of Warranty and Liability before using this seed. Special terms and conditions of sale apply to this product.

Data and disease ratings are an average of results from various test locations. It is not a prediction of future performance, but a summary of past results. Your performance will vary depending on the actual environment, pathogen strain and management conditions of your field. You must read and understand the Harris Moran Limitation of Warranty and Liability (found at www.harrismoran.com) before using this product.
