<b>Rating</b>	<b>Common Name</b>	<b>Abbreviation</b>	<b>Pathogen/Causal Agent</b>
HR	Anthraxnose	Co (1)	Colletotrichum orbiculare race 1

#### IMPORTANT NOTICE REGARDING WATERMELON FRUIT BLOTCH

This seed lot has been tested for the presence of seed-borne bacterial fruit blotch (*Acidovorax avanae* subsp. *Citrulli*), a bacterial disease which can be transmitted through water, seed, implements, transplants, or cultural practices. No symptoms of this disease were found in the seed tested. Note, however, that no seed pathology test can conclusively detect all pathogens, which may be present in a given seed lot.

SELLER DOES NOT WARRANT THAT THIS SEED LOT IS COMPLETELY FREE OF FRUIT BLOTCH. ALL WARRANTIES EXPRESS OR IMPLIED, INCLUDING WARRANTY OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE DISCLAIMED.

As a condition of purchase, you will be asked to agree to the Harris Moran Offer to Purchase Watermelon Seed. Please refer to the Harris Moran website at [www.harrismoran.com](http://www.harrismoran.com) or call 1-800-320-4672.

Data and Disease Ratings are an average of results from various test locations. It is **not** a prediction of future performance, but a summary of past results. Your performance will vary depending on the actual environment, pathogen strain and management conditions in your field. You must read and understand the Harris Moran Limitation of Warranty and Liability (found at [www.harrismoran.com](http://www.harrismoran.com)) before using this product.
